Isolation

Joe Cocker

People say we got it made don't they know we're so afraid
We're afraid to be alone, everybody got to have a home
Isolation

Just a boy and a little girl
Trying to change the whole wide world
Isolation

All the world is a little town
Everybody trying to put us down
Isolation

I don't expect you to understand
After you caused so much pain
But the again you're not to blame
Your just a human, a victim of the insane

We're afraid of everyone, afraid of the sun
Isolation

The Sun will never disappear
But the world my not have many years
Isolation
