

# Love Don't Live Here Anymore

Joe Cocker

You abandoned me  
Love don't live here any more  
Just awake and see  
Love don't live here any more

When you lived inside of me  
There was nothing I could've seen  
That you wouldn't do for me  
Trouble seemed so far away  
You changed them right away

And you abandoned me  
Love don't live here any more  
Just awake and see  
Love don't live here any more

Love don't live here any more  
Just emptiness and memories  
Of what we had before  
You went away  
Find another place to stay  
Another home

You abandoned me  
Love don't live here any more  
Just awake and see  
Love don't live here any more  
Oh no

And windows of my eyes  
Everyone can see  
The loneliness inside of me  
Why do you have to go away?  
Don't you know, I miss you so  
And need your love?

You abandon me  
Love don't live here any more  
Just awake and see  
You don't love me anymore  
No love, oh no

You abandon me  
Love don't live here any more  
Just awake and see  
You don't love me anymore  
No love

You abandon me  
Love don't, love don't  
Live in no more
