

Marjorine

Joe Cocker

1. Marjorine, where have you been?

Did you meet the Queen, Marjorine?

Let me know; why did you go?

Why don't you show, Marjorine?

Oh, down by the sea, searching for me, Marjorine.

I want you back, but you will not get in the sack, no!

R: Each time I go to town, I see your face in the crowd,
And when I come back home; I call your name, out aloud.

2. Marjorine; life is too short.

You'll just get caught, Marjorine.

Hard to find, what's on your mind,

Won't be unkind, Marjorine.

Oh, clouds start to form, keeping you warm, Marjorine.

Life can be clean; where have you been, oh, Marjorine?

R: Each time I go to town... (3x)
