

# My Father's Son

Joe Cocker

Heart over mind, yes I'm  
My father's son  
I live my life, just like  
My father's done  
If he'd told me, one day  
That somebody'd have my heart in chains  
Would I believe it, no way  
Made up my mind I'd never fall that way

But tell me why  
Every time I try, to tell you it's goodbye  
I can't seem to let go  
In my heart I know I want to stay  
What I'm trying to say

Heart over mind  
Yes I'm my father's son  
Yes I'm inclined to do  
As my fathers done

Here I am with you  
And I know that it's true  
Despite all the feelings  
Your putting me through  
I try to walk away, something makes me stay

Heart over mind, yes I'm  
My father's son  
I live my life, just like  
My father's done  
But tell me why  
Every time I try, to tell you it's goodbye  
I can't seem to let go  
In my heart, I know I want to stay, never run away

My father's son  
I live my life, as my father's done  
If he'd told me, one day  
That somebody would have my heart in  
Chains would I believe it, no way  
Made up my mind, I'd never fall that way  
But it's heart over mind, yes I'm my father's son
