

# Naked Without You

Joe Cocker

What have I done I've broke your heart  
Now there's no sun just cold and dark  
Without your smile I can't laugh  
Without you baby I'm just a half  
I didn't know what I had  
I didn't know I'd feel this sad  
But I feel

Naked without you  
I feel naked without you  
I feel naked without you

What have I done I've broke a vow  
But I'm the one who's crying now  
Without your touch I can feel  
Without your forgiveness I can't heal  
No body else can take your place  
And if I don't see your angel face

Girl I feel naked without you  
I'm still crazy about you  
I feel naked without you

I hurt the one that really loved me  
Don't look at me I feel ugly  
Naked without you

I'm so tired that I can't sleep  
I threw away a love so deep

I feel naked without you  
I feel naked without you  
Naked without you  
I feel naked without you in my head  
I feel naked without you in my bed  
Naked without you hey baby  
Naked without you and I feel  
Naked without you  
While you see a chance

Stand up in a clear blue morning  
Until you see what can be  
Alone in a cold day dawning,  
Are you still free, can you be  
When some cold tomorrow finds you  
When some sad old dream reminds you  
How the endless road unwinds you  
When there's no one left to leave you  
Even you don't quite believe you  
And that old grey wind is blowing  
And there's nothing left worth knowing  
While you see a chance take it  
Find romance, fake it  
Because it's all on you
