

# Never Tear Us Apart

Joe Cocker

Don't ask me  
What you know is true  
Don't have to tell you  
I love your precious heart

I was standing  
You were there  
Two worlds collided  
And they could never tear us apart

We could live for a thousand years  
But if I hurt you, I'd make wine from your tears  
I told you that we could fly  
'Cause we all have wings but some of us don't know why

I, I was standing  
You were there  
Two worlds collided  
And they could never, ever tear us apart

Don't ask me  
What you know is true  
Don't have to tell you  
I love your precious heart

I was standing  
You were there  
Two worlds collided  
And they could never tear us apart

You, you were standing  
I was there  
Two worlds collided  
And they could never tear us apart

I, I was standing  
And you were there  
Two worlds collided  
They could never tear us apart

And they could never tear us apart
