- 1. We start a fight, who knows what for Who knows who's winning, or who's keeping score You say it's all right, as you slam the door All I can say is, "Please no more, please no more."
- R: I've had enough after how I swore
   I'd never give you up
   Loving you was easy, but one thing's for sure
   It ain't me, it ain't me, you're trying to please no more.
- 2. Passions will burn, burn endlessly
  All that's left behind are these broken dreams
  While I still got some pieces laid out on the floor
  I'm asking you baby, "Please no more, please no more."
- R: I've had enough...
