

Something

Joe Cocker

1. Something in the way she moves,
Attracts me like no other lover.
Something in the way she woo's me;
Em Em/maj
I don't want to leave her now;
You know I believe, and how.
2. Somewhere in the way she smiles,
Reminds me that I'll always think of her.
Something in the way, she smiles for me;
I don't want to leave her now;
You know I believe, and how.
- R: You're asking me, will my love grow?
I don't know, I don't know.
Just stick a-round now, it may show.
I don't know, I don't know.
3. Something in the way she moves,
Attracts me like no other lover.
Something in the way she woo's;
I don't want to leave her now;
You know I believe, and how.
- R: You're asking me...
4. Something in the way she moves,
Attracts me like no other lover.
Something in the way that she woo's me;
I don't want to leave her now;
You know I believe, and how.
