

That's All I Need to Know

Joe Cocker

Maybe I have
No grounds to feel jealous
But I'm just a guy
Who's got to say it like it is
I must be sure of your love
On that I exist

Is there someone
To whose heart you'd run?
Just tell me now
Darlin' I will be gone
If he's just stealin' from me
Then that would be wrong

I stand my ground
Against any man
Who would try to take you from my arms
If you know me at all
You know, I don't let go
As long as you want me
That's all I need to know

I've never been
What they call, the fighting kind
But I'm a man
Who'll defend what is mine
I've built my world around you
You are my life

And I'll stand my ground
Against any man
Who would try to take you from my arms
If you know me at all
You know, I don't let go
As long as you want me
That's all that I need to know

If you know me at all
You know, I don't let go
As long as you want me
That's all I need to know

I don't back down
When I've got my feet on the ground
I'm a peace lovin' man
But I'll take the blows
As long as you want me
That's all I need to know

That's all I need to know
