

# That's Your Business Now

Joe Cocker

(Shall I count it in?)

(Certainly)

(1,2,3,4)

Ain't you glad that you've got nothing to say  
Ain't you glad that you've nowhere to pray  
Oh, baby, that's your business now

Ain't you glad you got nothing to do  
Don't you know I'm depending' on you  
Hey baby, that's your business now

When it's all over and you're lying in your rug  
And then you start to feel that certain kind of bug  
Don't feel uneasy, just give her a knee  
She's just some woman trying to get some speed, yeah

Ain't you glad that you've got nothing to feel  
Ain't you glad that it's all so real  
Hey baby, somebody shine on me  
Lay down

When it's all over and you're sitting in your rug  
Then you starting to get that sweet old passing bug  
Oh, don't feel uneasy, just give her a knees  
Just some woman trying to get some speed, Lord

Ain't you glad that you've got nothing to hide  
Ain't you glad that you've got nothing to decide  
Hey baby, that's your business now

Ain't you glad that you've got nowhere to weep  
Ain't you glad that you've got nothing to seep  
Hey sweetie, that's your business now

Ain't you glad  
Oh, ain't you glad  
That you don't feel bad

Ain't you glad  
Oh, ain't you glad  
Ain't you glad than don't feel bad
