Girl, don't be angry if I seem rude Each time we meet A boy that you once knew [??] just to be so close to you

It's just that I'm so afraid
Someone might steal you away, I'd lose my mind
So please forgive me for the way I act sometimes
I'm the jealous kind

If you only knew where I lived And didn't mind [?] can't you see [??] That I'm losing my mind

I want you all to myself
I don't want you shackin' with nobody else
I can't help it if it's the way I act sometimes
Because I'm the jealous kind

You know I love you girl

Just one more thing now, If you only knew
How much it hurts me just to hear you say
How, when we first met
I can't think that those were the good old days

Why must you hurt me so
I can't stand it no more, I'm tryin'
So please, I can't control these tears in my eyes
Lord I'm the jealous kind

I love you baby You know you've got me baby

You know I'm the jealous kind
