

# A Night To Remember

Joe Diffie

Been one tough week, dead on my feet  
But, I've made plans for tonight  
When I'm feeling blue, know just what to do  
And how to make it right  
Seems like I've needed this forever  
Gonna have myself a night to remember

Dim the lights, lock the door, spread your pictures  
On the floor, throw the dust off of our past let it  
All come floodin' back, cause' it ain't easy being  
Strong and when I can't forget your gone I just  
Surrender, and have myself a night to remember.

Sad ain't my style but once in a while  
I just have to give in  
'Cause a woman like you, is so hard to lose  
You just don't want it to end  
I know this can't go on forever  
So tonight I'll have a night to remember

Dim the lights, lock the door, spread your pictures  
On the floor, throw the dust off of our past let it  
All come floodin' back, cause' it ain't easy being  
Strong and when I can't forget your gone I just  
Surrender, and have myself a night to remember.

Oh it ain't easy being strong and when I can't  
Forget your gone I'll just surrender and have  
Myself a night to remember
