

# I'm Not Through Losin' You

Joe Diffie

For you the love that we knew is over and done  
That may be, but as for me it still goes on  
You found somebody new who made you forget  
What we had but I can't do that yet

I'm not through losing you, I haven't got into the ending  
I love you just as much as I did back at the beginning  
There's a lot of letting go for me to do  
I'm not through losing you

I pray one of these days that I'll wake up  
And I'll be past looking back on our love  
Somehow it's easier now to keep holding on  
Till the day I'll find the way to let you go

I'm not through losing you, I haven't got into the ending  
I love you just as much as I did back at the beginning  
There's a lot of letting go for me to do  
I'm not through losing you  
I'm not through losing you
