If The Devil Danced (In Empty Pockets)

Joe Diffie

Diablo motors had a hell of a sale, downtown yesterday Word got around, no money down, take years and years to pay When I got there the lot was bare, but the salesman said, "Hold on"

For a little cash, I gotta two-tone Nash out behind the barn

If the Devil danced in empty pockets, he'd have a ball in mine With a nine foot grand, a ten piece band and a twelve girl chorus line

I'd raise some loot in a three piece suit, give 'em one dance f or a dime

If the Devil Danced in empty pockets, he'd have a ball in mine

Well, he said, "Friend it ain't the end, let's see what I can do

If you own a home, I've got a loan tailor made for you"

Then above the racket a voice in my jacket said, "I'll tote the note"

The Devil made me do it, talked me in to it and that was all she wrote

If the Devil danced in empty pockets, he'd have a ball in mine With a nine foot grand, a ten piece band and a twelve girl chor us line

I'd raise some loot in a three piece suit, give 'em one dance f or a dime

If the Devil Danced in empty pockets, he'd have a ball in mine

They say debt is a bottomless pit where the Devil likes to play I'd sell my soul to get out of this hole, but there'd be hell to pay

If the Devil danced in empty pockets, he'd have a ball in mine With a nine foot grand, a ten piece band and a twelve girl chor us line

I'd raise some loot in a three piece suit, give 'em one dance f or a dime

If the Devil Danced in empty pockets, he'd have a ball in mine
