

# Don't Put A Lock On My Heart

Joe Ely

I got your letter in the mailbox, honey  
Love flys, when your far away  
When I get home I'll give you all a my money

Don't Put a Lock on My Heart  
Don't Put a Lock on My Heart  
Don't Put a Lock on My Heart!

Time will tell about romantic situations  
Recollections are my only friend  
I'll call you baby when I reach my destination

Don't Put a Lock on My Heart  
Don't Put a Lock on My Heart  
Don't Put a Lock on My Heart!

We can arbitrate with sexy incantations  
Fill the void like we used to do  
Growin' old is just a minor complication

Don't Put a Lock on My Heart  
Don't Put a Lock on My Heart  
Don't Put a Lock on My Heart!
