

## No Rope Daisy-o

Joe Ely

My Daisy she's crazy  
Just like she seems  
She climbs into bed and covers her head  
And sneaks into my dreams

My Daisy she's lazy  
Don't do nothin' but play  
While I work like a slave  
in an airplane wing  
And bring home all the pay

Well I wish she'd take it easy  
On poor delicate me  
wish she'd take it easy  
It'd be a better day for my Daisy and me!

My Daisy she's amazing  
Sneaks in the movies for free  
While me and the chauffeur  
keep the motor runnin'  
In a rented limosine.
