

## Road Hawg

Joe Ely

I got a road hawg on my mind  
Move over, baby, look out I'm comin' through  
You're on the side of the road, I got a load on my mind  
And I'm bringin' it home to you

Got a road hawg on my mind  
Got a Cadillac V-8 motovatin' down the line  
Don't wave your pretty fist at me, I'm on the Freeway  
Baby I'm losin' time

Well, You know about a road hawg  
I guess I'm one  
And this road I'm a hawggin'  
Is the one you're standin' on

I got a road hawg on my mind  
I got a 4-barrel carburetor, 2-barrel shotgun  
And one good barrel of wine
