

# Settle For Love

Joe Ely

You say you want drama  
I'll give you drama  
You want muscle  
I'll give you nerve

You want sugar  
Would you settle for honey?  
You want romance  
Would you settle for love?

Would you settle for love?  
Would you settle for love?  
Would you settle for love  
Or do you need  
All that meaningless stuff?

Would you settle for love?  
Would it be enough?  
Baby, would you settle for love?

You say you want fire  
I'll give you fever  
You want kisses  
I'll give you all I got

You want diamonds  
Would you settle for rhinestones  
You want romance  
Would you settle for love?

Would you settle for love?  
Would you settle for love?  
Would you settle for love  
Or do you need  
All that meaningless stuff?

Would you settle for love?  
Would it be enough?  
Baby, would you settle for love?

Would you settle for love?  
Would you settle for love?  
Would you settle for love  
Or do you need  
All that meaningless stuff?

Would you settle for love?  
Would it be enough?  
Baby, would you settle for love?

Would you settle for love?  
Would you settle for love?  
Would you settle for love  
Or do you need  
All that meaningless stuff?

Would you settle for love?

Would it be enough?  
Baby, would you settle for love?

C'mon, tell me now  
I need to know, yeah

Would you settle for love?  
Would you settle for love?  
Would you settle for love  
Or do you need  
All that meaningless stuff?

Would you settle for love?  
Would it be enough?  
Baby, would you settle for love?  
Ooh, honey, yeah, yeah
