

Invisible Man

Joe Jackson

Hey - can you hear me now
As I fade away
And lose my ground
Maybe you'd like to know
What I'd have to say
If I was still around

Now I'm made of smoke
You see through me
It's the strangest joke

Can't touch the Invisible Man
Can't stop the Invisible Man

Why did the lights go down
Or onto someone new
Well let them learn
I used to own this town
Now I'm watching you
Now it's my turn

Now I'm made of mist
Will you know
When you've been kissed

Can't touch the Invisible Man
Can't stop the Invisible Man

Now I'm almost free
Disappearing
Don't cry for me

Can't touch the Invisible Man
Can't stop the Invisible Man
