Jamie G.

Joe Jackson

Jamie G. I want you Even though I know that I can't have you Even though I don't know which way you go I'm dying to come with you

What kind of times are these A guy can't do what he pleases But the way that you tease I'd risk all diseases

Jamie G. I want you Even though I know that I can't have you Even though I don't know which way you go I'm dying to come with you

C'mon let's drink champagne Before they bring back Prohibition Smoke a pack or two Then try another position

Jamie G. I want you Even though I know that I can't have you Even though I don't know which way you go I'm dying to come with you
