

## Jumpin' Jive

Joe Jackson

Boys - what you gonna say down there?  
Oh Boys - what you gonna say down there?  
Palamar, Shalamar, Swanny Shore  
Let me dig that jive once more

Boys - take it right on down to the gator  
Oh boys - gotta take a side elevator  
Can't you hear those hip cats call  
Come on boys let's have a ball

The jip-jam-jump is a jumpin' jive  
Makes you dig your jive on the mellow side  
The jip-jam-jump is a solid jive  
Makes you nine foot tall when you're four foot five

Now, don't you be that ickeroo  
Get hip, come on and follow do  
When you get your steady fool  
You met your jump like the gators do

The jip-jam-jump is a jumpin' jive  
Makes you like your eggs on the Jersey side  
The jip-jam-jumpin' jive  
Makes you hip hip on the mellow side

The jip-jam-jump is a solid jive  
Makes you nine foot tall when you're four foot five  
The jip-jam-jumpin' jive  
Makes you hip hip on the mellow side

Now, don't you be that ickeroo  
Get hip, come on and follow do  
When you get your steady fool  
You met your jump like the gators do

The jip-jam-jump is a jumpin' jive  
Makes you like your eggs on the Jersey side  
The jip-jam-jumpin' jive  
Makes you hip hip on the mellow side

Skibbel-de-doo...  
Now I told you 'bout the jumpin' jive  
Jip-jam-jum the jumpin' jive  
I know you dug this mellow jive  
'Cause you dig it on the mellow side
