Take your mind back - I don't know when Sometime when it always seemed To be just us and them Girls that wore pink and boys that wore blue Boys that always grew up better men Than me and you

What's a man now - what's a man mean

Is he rough or is he rugged

Is he cultural and clean

Now it's all change - it's got to change more

'Cause we think it's getting better

But nobody's really sure

And so it goes - go round again
But now and then we wonder who the real men are

See the nice boys - dancing in pairs

Golden earring golden tan

Blow-wave in the hair

Sure they're all straight - straight as a line

All the gays are macho

Can't you see the leather shine

You don't want to sound dumb - don't want to offend So don't call me a faggot
Not unless you are a friend
Then if you're tall and handsome and strong
You can wear the uniform and I could play along

And so it goes - go round again
But now and then we wonder who the real men are

Time to get scared - time to change plan
Don't know how to treat a lady
Don't know how to be a man
Time to admit - what you call defeat
'Cause there's women running past you now
And you just drag your feet

Man makes a gun - Man goes to war
Man can kill and man can drink
And man can take a whore
Kill all the blacks - kill all the reds
And if there's war between the sexes
Then there'll be no people left

And so it goes - go round again
But now and then we wonder who the real men are
