

## San Francisco Fan

Joe Jackson

San Francisco Fan  
Loved a no-good gamblin' man  
She drank the coffee dregs  
So she could fry his eggs In a golden frying pan

Can-can-ed by command Of the Gold Rush Cafe Clan  
She gave her man her pay  
He gambled it away  
Playing Chinatown fan-tan

Once they caught him cheatin'  
And he knew that he was beaten  
When a miner aimed a pistol at his head  
Fanny when she'd seen him Ran and jumped right in between 'em  
And she stopped a dozen slugs of poison lead

There was Fanny dyin'  
While a hundred men stood cryin'  
And the angels up above were cryin' too  
When seven horses started draggin'  
Fanny's coffin in a wagon  
Through a dusty Californian avenue

San Francisco Fan  
Gave her life to save her man  
A man who wasn't worth  
A shovelful of earth  
From the grave of San Francisco Fan
