The Best I Can Do

Joe Jackson

I'll try to protect you
If I don't get too scared
I'll never neglect you
If my feelings are shared

I'll be right behind you If you don't move too fast And I'll try to remind you that some things can last

I'll love you forever or at least many years If you know I'll never take away all your fears

And I'll never roam not unless I have to But I'll always come home that's the best I can do

It's the best I can do
