

# Gotta Find You

Joe Jonas

Every time I think I'm closer to the heart  
Of what it means to know just who I am  
I think I've finally found a better place to start  
But no one ever seems to understand

I need to try to get to where you are  
Could it be you're not that far

You're the voice I hear inside my head  
The reason that I'm singing  
I need to find you  
I gotta find you  
You're the missing piece I need  
The song inside of me  
I need to find you  
I gotta find you  
Oh yeah, yeah, yeah

You're the remedy I'm searching hard to find  
To fix the puzzle that I see inside  
Panting all my dreams the color of your smile  
When I find you it will be alright

I need to try to get to where you are  
Could it be you're not that far

Been feeling lost, can't find the words to say  
Spending all my time, stuck in yesterday  
Where you are is where I wanna be  
Oh next to you  
And you next to me  
Oh, I need to find you  
Yeah

Yeah, yeah, I gotta find you
