

Just In Love With You

Joe Jonas

I love a girl in a whole another language
People look at us strange
Don't understand us, they try to change it
I try to tell her don't change.
We talk love and they say it sounds crazy
But love's even more wild when you're angry
Don't understand why you wanna change it
Girl, listen to me

You're just running from the truth
And I'm scared of losing you
You are worth too much to lose.
Baby if you're still confused

Girl I'm just in love with you
Girl I'm just in love with you
No other words to use
I'm just in love with you
I'm just in love with you
Ohh yeah!

When I tell you I would never leave you
Do you hear what I say?
Don't understand you, you say you need time
You be callin all day.
We talk love and they say it sounds crazy.
Love's even more wild when you're angry!
Don't understand why you wanna change it.
Girl listen to me!

You're just running from the truth (from the truth)
And I'm scared of losing you
You are worth too much to lose (Oh baby)
Baby if you're still confused

Girl I'm just in love
Girl I'm just in love with you
Did you hear what I say?
I'm just in love with you
Can't nobody change it!
No other words to use
I love you baby!
I'm just in love with you
I'm just in love with you
I'm just in love with you
I'm just in love
I'm just in love with you
Wooooooah

Never knew what we have
They don't understand
Words are just a waste of time
We know this is real.
And I know how you feel,
When you put your hand in mine

Girl I'm just in love with you

Girl I'm just in love with you
There's no other words to use.
I'm just in love with you
Let me say it again
Let me say it again
I'm just in love with you
Just in love
Just in love
Babe
Just in love with you..
