

# Party After Party

Joe Jonas

Oh (oh oh oh oh) (2x)

Roll out, downtown  
Crash the warehouse  
Makin' my way through the crowd  
Where's the DJ?

Hit the...  
Playback on my new track  
Before we  
Jet back to the crash bad  
(Blast that!)  
Ch'mon at ten, me and my friends  
At my place gettin' crazy

Don't bring ya money  
Just bring ya body  
All night long  
(Party after party)  
Ready or not,  
You're not gonna stop  
We're gonna shake the town up  
(Party after party)

Whoa oh (2x)  
(Rock 'til ya drop!)  
Party after party  
Whoa oh (2x)  
( 'Til the sun comes up)  
Party after party

We take five to sunset  
From the valley  
We make a...  
Quick stop to fill up  
Bumpin' to Chelsea

Hear the ringtone  
On my bro's phone  
I'm gonna meet them  
At the troubadour  
Front door  
Kings of Leon playin' my song  
I'm gonna use somebody  
Through the break of dawn

Don't bring ya money  
Just bring ya body  
All night long  
(Party after party)  
Ready or not,  
You're not gonna stop  
We're gonna shake the town up  
(Party after party)

We-don't-want  
This-night-to-end

So-let's  
Keep-going  
Only-got  
One-life-to-live  
So-let's  
Keep-rollin'

We-don't-want  
This-night-to-end  
So-let's  
Keep-going  
Only-got  
One-life-to-live

SO LET'S GO!

Don't bring ya money  
Just bring ya body  
All night long  
(Party after party)  
Ready or not,  
You're not gonna stop  
We're gonna shake the town up  
(Party after party)

Whoa oh (2x)  
(Rock 'til ya drop!)  
Party after party  
Whoa oh (2x)  
('Til the sun comes up)  
Party after party
