Take it and run

Let's go! Hey! Hey! Hey! Let's go! Baby, so happy that you made it out tonight With the way you look under these lights You're the brand new owner of my eyes, my eyes I know, I know, many men have tried and failed before And baby I'm pretty sure that tonight, tonight, Will change your life, grab my hand, watch us fly So many things I can't wait to show ya So many things I can't wait to show ya Give me the chance to get to know ya Say yes before the night is over Here's our chance let's Take it and run Take it and run Here's our chance, let's Take it and run Take it and run Baby, you take my breath with every step, with every move How you do it I have no clue Girl, I cannot lie, I'm so into you Oh, oh, baby, I promise if you give this a try You'll be more than satisfied So, open the door and let me in brand new life, let's begin So many things I can't wait to show ya. So many things I can't wait to show ya. Give me the chance to get to know ya. Say yes before the night is over. So many things I can't wait to show ya. So many things I can't wait to show ya. Give me the chance to get to know ya. Say yes before the night is over. Here's our chance let's Take it and run Take it and run Here's our chance let's Take it and run Take it and run Here's our chance let's Take it and run Take it and run Here's our chance let's Take it and run Take it and run Take it and run!

So many things I can't wait to show ya. So many things I can't wait to show ya. Give me the chance to get to know ya. Say yes before the night is over.

Here's our chance let's Take it and run Take it and run Here's our chance let's Take it and run Take it and run

Here's our chance let's
Take it and run
Take it and run
Here's our chance let's
Take it and run
Take it and run
Take it and run
Take it and run!
