

# Cruel

Joe Lynn Turner

Darkness surrounds us we fall in the arms of the night  
You felt so warm but you're cold in the morning light

You said you love me but I can't believe it's real  
I see you changing and I don't know what to feel  
Hold me like a man but You treat me like a fool

cruel... your love is so cruel  
Whispers of love and your tender touch stole my heart  
Two perfect strangers so near yet we're going too far

I play the pawn in your masquerade  
You took my love and you threw it all away  
(I don't know why you treat me like you do)

Cruel... your love is so cruel  
(To feel the way you do)  
I felt the pain of love once before  
Been through the changes  
And I came back for more  
I closed my eyes  
And I opened my heart  
But now I'm alone in the dark

There's nothing left  
But your memory  
You took the very heart  
And soul of me  
I never knew that you'd break me  
In two

Cruel... your love is so cruel  
(To feel the way you do)  
Cruel... your love is so cruel  
(To treat me like you do)

Oh baby you hurt me deep inside  
I'm a man...  
I got my pride  
You tear me up...  
Got no place to hide  
Why...  
Do You do what you do...
