## **Eyes Of Love**

Joe Lynn Turner

Well, I wonder where you're going 'to You've been running from the start Is it something that you're going through Deep inside your hear And I wonder who you're waiting for Could that someone set you free Cause the love that opens up the door Is here inside of me Could I be the one you're searching for Are you just too blind to see Cause you know no one could love you more Ever love you more than me , Looking in the eyes of love That's where I wanna be Look in the eyes of love That's where you'll find me
