

# Got Me Where You Want Me

Joe Lynn Turner

There's a new kind of look in your eye  
That's beautifully strange.  
Or maybe it's something in me  
And you're still the same.  
I was in control but if truth be told,  
The tables have turned.

Now you've got me where you want me,  
Tell me what you're gonna do?  
You could read my palm,  
See if I'm in your future or not,  
Now that you've got me where you want me.

Yeah, you did something to me doesn't it show,  
You went from crossing my mind to taking it over,  
Need you more and more, seven twenty four  
Every night and all day.

Now you've got me where you want me,  
Tell me what you're gonna do?  
You could read my palm,  
See if I'm in your future or not,  
Now that you've got me where you want me.

I'm starting to like it like this,  
Not gonna fight it,  
Ain't gonna resist.

Now you've got me where you want me,  
Tell me what you're gonna do?  
You could read my palm,  
See if I'm in your future or not,  
Now that you've got me...

Now you've got me where you want me,  
Tell me what you're gonna do?
