

## Rock Bottom

Joe Lynn Turner

Seventeen a nature's queen ya, know what I mean  
Twenty one, alone one,  
and you can see the numbers run  
Now you look so peaceful, lyin' there asleep  
With the wings of god above you  
Before the spirits meet  
Rock bottom, rock bottom, rock bottom  
Rock bottom, rock bottom, rock bottom

Shadow earth is closin' in above the lamps in your street  
Lucifer goes walkin' down for you to meet  
Minutes pass so slowly by the, hands on your clock  
Heaven's door just don't open when you knock

With the darkness closin' in  
Will the light reveal your soul  
one sweet kiss on your clay cold lips  
one long sleep you'll ever know  
Where do we go, where do we go  
Where do we go from here
