

## Hear My Prayer (Nessun Dorma)

Joe McElderry

Hear my prayer  
Hear my prayer  
I carry you within me  
In my darkest hour  
My guardian angel  
Who feels my deepest sorrow  
My sweetest pleasure

There is a stillness in my heart  
A strength inside that drives me on and on  
Although my courage falters daily  
It never fails me, I go on  
And so I ask for your understanding  
If I may stumble

And with my faith in one who never leaves me  
Someone who can please me  
Someone who is always true  
Always true  
Always love
