

Hear My Prayer (Nessun Dorma)

Joe McElderry

Hear my prayer
Hear my prayer
I carry you within me
In my darkest hour
My guardian angel
Who feels my deepest sorrow
My sweetest pleasure

There is a stillness in my heart
A strength inside that drives me on and on
Although my courage falters daily
It never fails me, I go on
And so I ask for your understanding
If I may stumble

And with my faith in one who never leaves me
Someone who can please me
Someone who is always true
Always true
Always love
