

# Real Late Starter

Joe McElderry

I woke up late today  
Actually I do that everyday  
Got no place to be seen  
I'm not part of a scene  
I'm a genius loser  
Keeping counsel with my own opinion  
President of the state that I'm in  
Should I just stay in bed?  
Should I live in my head?  
Oh God so many questions to ask

Oh you could call me lazy  
I think of it as taking my time  
Cos I don't want to do what I don't want to do  
I'm the queen refusenik

But oh my God  
If I was somebody I'd be doing it all just fine  
But I'm a real late starter  
So I'm making up for lost time  
Oh my God if I was somebody  
You'd be kissing my arse right now  
But I'm so polite - I do it all of the time  
I missed my calling in life  
Oh well

Day by day I wonder  
If I will be torn asunder  
By these things that I know  
That nobody else knows  
Or maybe it's the drinking  
I guess we should consult a Bible  
Everybody needs a sign or  
Bless the birds and the bees  
The flowers and trees  
And blessed be the slacker

But oh my God  
If I was somebody I'd be doing it all just fine  
But I'm a real late starter  
So I'm making up for lost time  
Oh my God if I was somebody  
You'd be kissing my arse right now  
But I'm so polite - I do it all of the time  
I missed my calling in life  
Oh well

You must be having a laugh  
Oh God your having a laugh  
No point in worrying if my days a disaster  
Inside my little head I'm happy ever after  
Yes I am

But oh my God  
If I was somebody I'd be doing it all just fine  
But I'm a real late starter  
So I'm making up for lost time

Oh my God if I was somebody  
You'd be kissing my arse right now  
But I'm so polite  
I missed my calling in life

But oh my God  
If I was somebody I'd be doing it all just fine  
But I'm a real late starter  
So I'm making up for lost time  
Oh my God if I was somebody  
You'd be kissing my arse right now  
But I'm so polite - I do it all of the time  
I missed my calling in life  
Ohh what am I like  
Yeah well  
Oh well
