

## If I Could Only Fly

Joe Nichols

I almost felt you touching me just now  
I wish I knew which way to turn and go  
I feel so good and then then I feel so bad  
I wonder what I ought to do

If I could only fly, if I could only fly  
I'd bid this place goodbye to come and be with you  
But I can hardly stand and I got nowhere to run  
Another sinking sun and one more lonely night

The wind keeps blowing somewhere everyday  
Tell me things get better, somewhere, up the way  
Just dismal thinking on a dismal day  
And the sad songs for us to bare

If I could only fly, if I could only fly  
I'd bid this place goodbye to come and be with you

You know sometimes I write happy songs  
Then some little thing goes wrong  
I wish they all could make you smile

Coming home soon and I wanna stay  
Maybe we could somehow get away  
And I wish you could come with me when I go again

If I could only fly, if we could only fly  
I'd bid this place goodbye to come and be with you  
But I can hardly stand and I got nowhere to run  
Another sinking sun and no more lonely nights
