

# Just Let Me Fall in Love with You

Joe Nichols

Toes in the water with the river rollin'  
That little bit of butterfly tattoo showin'  
Nothin' to do  
Just let me fall in love with you

Aw, long hair fallin' on a sun tanned shoulder  
I'm wantin' you bads about to take me over  
And I'm set on cruise  
Just let me fall in love with you

Already got those crickets singin'  
Man you better go on and kiss her, moonlight spotlight  
Ain't a chance in the world I'll miss it  
Don't blink, don't think, don't move  
Just let me fall in love with you  
Just let me fall in love with you

Your skin wont stop feeling my fingers  
I wanna wade in where the waters deeper  
Nothin' to lose  
Just let me fall in love with you

Already got those crickets singin'  
Man you better go on and kiss her, moonlight spotlight  
Ain't a chance in the world I'll miss it  
Don't blink, don't think, don't move  
Just let me fall in love with you

You don't get in the way of somethin'  
You can't slow down and you can't out run it  
All I know is I feel it comin'

Already got those crickets singin'  
Man you better go on and kiss her, moonlight spotlight  
Ain't a chance in the world I'll miss it  
Don't blink, don't think, don't move  
Just let me fall in love with the
