

I've Got The Rock 'n' Rolls Again

Joe Perry

Listen mister, what my goin' do?
My head is willy nilly
With that boogie woogie flu
I said, doctor!
Won't you tell me what is wrong?
(cause if) i'm feeling, like i'm feeling
I'll been rock 'n' rolling all night long
I got the rock 'n' rolls again
The rock 'n' rolls again, ha ha

If you want it, you can catch it from me
'cause i'm gonna flaunt it,
My rock 'n' roll insanity
Baby!, ba ba ba ba ba baby!
Won't you treat me right
Cause i got the rock 'n' rolls tonight

I got the rock 'n' rolls again
I got the rock 'n', rock 'n' rolls again

Good god all mighty, what is wrong with me?
I don't even see that pretty lady sitting on my knee
I said mister, this has gone to far
???????????????? rock and roll goodbye, ha ha ha

The rock 'n' rolls again
I got the rock 'n', rock 'n' rolls again, yeah...go!
Oh yeah
