

Life At A Glance

Joe Perry

Driving' down the mass. pike 4 a.m.
Blue lights on behind it's my friend again
Scenery rushing by me i don't see anything
Headlong life is blinding you gonna find out in the end

Chorus:

Life at a glance
Your mind's in a trance
Life at a glance
Your life's just a chance
Life at a glance
It'll break your heart

Well i'm sitting here waiting for a change of heart
And it feels just like my car won't start
My hands are full of broken glass
My wasted time is in my past

Chorus.

Time has come for you and me
To use what really sets us free
We'll try on wings of thoughts and dreams
And run through times of rhymes and schemes

Chorus.

Someday i know we'll live the dreams we left so far behind
You'll never know unless you try to see what's yours and mine

Chorus.
