

Pray For Me

Joe Perry

Pray for me
Pray for me
Pray for me
(I'm Beggin you to) Pray for me

Someday soon I'll have to find a way to
Answer for my sins
Someday soon I'll have to find out why
I was where I've been

Pray for me
Pray for me
(Please) Pray for me
Pray for me

Some are old and some are new
I crossed the line a time or two
Some are old and some are new
I need some help with my walk through

It's such a blessing that you hear me calling
Your touch will keep me free from falling
It's such a blessing that you hear me calling
Your touch will keep me free from falling.

You may think I've got it all sewn up
But nothing is for free
Every hill you reach the top of
The fall feels like three.

Pray for me.
Pray for me.
(I'm Beggin you to) Pray for me.
Pray for me.

Pray for me.
(I'm Beggin you to) Pray for me.
Pray for me.
(I'm Beggin you to) Pray for me.
