

## Far Away Blues

Joe Purdy

Oh the weather ain't so fine today  
Darling it's just right for me  
Cause I've been thinking of you  
Got these far away blues

Oh the water's mad  
She's been fighting with the wind  
I've been thinking of you  
Got these far away blues

So please don't take me the wrong way  
Things are fine and people are great, but  
I've been thinking of you  
Got these far away blues  
Got these far away blues
