

Laughing Man

Joe Purdy

Suzie take that hair down girl
And take shadow of your eyes
You starting to look like Hollywood
Like someone I don't recognize
But you don't have to call that loud
'Cause that ain't what is saw

Take it from the laughing man
Take it from the laughing man
We are the animal
We are a stranger

And Billy put that gun down boy
You're too young to play with fire
Your daddy treats it like a toy
Now all he can see is bars
But you don't have to go down that road
'Cause that ain't what it's all about

Take it from the laughing man
Take it from the laughing man
We are the animal
We are a stranger, stranger

She says Hey angel,
But there is something he don't show
But it's oke angel
Cause I already know
I know, I know

Take it from the laughing man
Take it from the laughing man
Oh the laughing man
Yeah the laughing man

Stranger, stranger
Stranger
