Goin in, going all again, going all your going down my friend no use in trying no use in fighting

Ah, you never win
who do you think your dealin wit?
ah, going up the lazy river
down apply today
rain is come down quicker
the waters making waves
think i, yes spit
who do you think your dealin' with
think you underestimate me alittle bit

ohh, waters breaking your shoulders ohh yes, getting colder oh your boat is sinkin over you ain't going nowhere, noo i bet you miss your ship who'd you think you were dealing with who'd you think you were dealing with
