

Surgery

Joe Purdy

I can't wait for the weekend
Like I can't wait for you
I can't wait for the weekend
'Cuz I can't wait for you

Goin' down
No, I won't be long
Goin' down
In a minute I'll be strong
For you, yeah

Well I've been thinking all day
Thinking things should change
Honey, I don't want you different
But you know I can't stay the same

Goin' down
No, I won't be long
Goin' down
In a minute I'll be strong
For you, yeah
Strong
For you, yeah

Well I can't stop these feelings
From running around my brain
But I won't mind tonight
When you're in my arms again
No, I won't mind tonight
When you're in my arms again

Goin' down
No, I won't be long
Goin' down, down, down, down
In a minute I'll be
Strong, strong, strong, strong, strong
For you, yeah
Strong, strong, strong, strong, strong
For you, yeah
For you, yeah
For you, yeah
