

I Just Wanna Rock

Joe Satriani

What is your purpose?
What is your purpose?
What is your purpose?
What is your purpose?

What is your purpose?
I just wanna rock!
What is your purpose?
I just wanna rock!
What is your purpose?
I just wanna rock!
What is your purpose?
I just wanna rock!

I wanna rock, I wanna rock, I wanna learn how to rock with you.
