

## I Like the Rain

Joe Satriani

I'll tell you something.  
I'm not one to lie, but it might leave you feelin'  
cold. (Feelin' cold)  
I've been a sinner most of my life.  
Dear God, have mercy on my soul.  
Don't like the sunshine, that's not my way.  
I need a hurricane to wash my sins away.  
I like the rain...  
I like the rain washing over me.  
I do my own thing, any old time.  
Livin' large, always. (Always)  
I'm down and dirty. It's such a crime.  
You know some day I'm gonna pay. (Kid)  
Now and then I think I'm really bad.  
But then I think of all the good times I've had.  
I like the rain...  
I like the rain falling down on me.  
So come and join me, if you dare.  
I'll take you for a little ride. (Little ride)  
Could be the last time, I don't really care.  
It's just the turning of the tide. (Tide)  
The day is coming, just look on high.  
My own apocalypse is falling from the sky.  
I like the rain...  
I love the rain falling down on me.  
I love the rain...  
I like the rain washing over me.
