

Birds Of A Feather

Joe South

I remember back a long time ago, in the days of my childhood
In the evenin' when the sun was sinkin' low, walkin' in the wil
dwood
Skippin' and flippin' through the flowers, we'd go hand-in-hand
Lookin' back on all the happy hours, anyone one could understand
You and me, babe, sure 'nough got to be, babe

Birds of a feather, na na na na na na na na
We should be together like
Birds of a feather, na na na na na na na na
Got to be together like birds of a feather

You and I didn't have a lot of friends, didn't have too much to
say
So they never would let us join in all the games they used to p
lay
Seems like it was only yesterday, all the thinkin's you & I
I remember what the kids used to say as we'd go strollin' by
You and me, babe, sure 'nough got to be, babe

Birds of a feather, na na na na na na na na
We should be together like
Birds of a feather, na na na na na na na na
Got to be together like birds of a feather

Time goes rollin' by, and they say that you and I
Must go our separate ways
But birds of a feather will always be together

Your folks didn't want me hangin' 'round, said that I was bad f
or you
So we'd meet on the other side of town, down a long dark avenue
But they can't keep the two of us apart long as you really love
me
I got a feelin' way down in my heart, that's the way it's gonna
be

Birds of a feather, na na na na na na na na
We should be together like
