

Hush

Joe South

I got a certain little girl shes on my mind
No doubt about it she looks so fine
Shes the best girl that I ever had
Sometimes shes gonna make me feel so bad

Hush, hush
I thought I heard her calling my name now
Hush, hush
She broke my heart but I love her just the same now
Hush, hush
Thought I heard her calling my name now
Hush, hush
I need her loving and Im not to blame now

(love, love)
They got it early in the morning
(love, love)
They got it late in the evening
(love, love)
Well, I want that, need it
(love, love)
Oh, I gotta gotta have it

Shes got loving like quicksand
Only took one touch of her hand
To blow my mind and Im in so deep
That I cant eat and I cant sleep

Listen
Hush, hush
Thought I heard her calling my name now
Hush, hush
She broke my heart but I love her just the same now
Hush, hush
Thought I heard her calling my name now
Hush, hush
I need her loving and Im not to blame now

(love, love)
They got it early in the morning
(love, love)
They got it late in the evening
(love, love)
Well, I want that, need it
(love, love)
Oh, I gotta gotta have it
