

# I'll Never Do You Wrong

Joe Tex

If I ever do you wrong  
If I ever leave you all alone  
If I ever tell you a lie  
And if I ever make you cry  
Baby, I hope a fire  
Light on my pie  
I hope a bee sting me over my eye

You know I love my pie  
And I love my eye, baby  
So you know I'll never do you wrong

If I ever make you blue  
If I ever say I don't love you  
If I ever make you sad  
And if I say something that'll make you mad  
Baby, I hope I slip  
And break my hip  
I hope a fever blister come on my lip

You know I love my hip  
And I love my lip, baby  
So you know I'll never do you wrong

If I ever break your heart  
If I ever tear your dreams apart  
If I ever say we're through  
And if I ever walk away from you  
Baby, I hope a?  
Come on my elbow  
I hope a rock fall on my big toe

You know I love my toe  
And my elbow, baby  
So you know I'll never do you wrong
