

## I Want To (do Everything For You)

Joe Tex

I want to hold you in my arms  
Till you say turn you lose.  
I want to do the things for you  
Till you say it ain't no use.  
I want to wake you every morning  
With a good morning kiss.  
I want to kiss you to sleep the same way  
'Cause I know you like this.  
I want to do everything for you  
'Cause that's all that man can do  
When he loves a woman like I love you.  
And I love ya, love ya  
I love ya, love ya, love ya,  
I love ya, love ya, love ya  
Ooo, eee, yes I love you.

I want to say sweet things to you  
Till you say I said enough.  
I want to stand right by your side  
When the goin' gets tough.  
I want to mend your broken heart  
Till you say the hurt is gone.  
I want to stay with you always  
So that you wont be alone.  
I want to do everything for you  
'Cause that's all that man can do  
When he loves a woman like I love you.  
And I love ya, love ya, love ya  
Love ya, love ya, love ya  
Ooo, eee, like I love you.

I want to work for you every day  
Till you say come home and rest.  
I want to buy you pretty things  
So you can look your best.  
I want to take you everywhere  
So the world can see what I got.  
I want to treat you with tender love  
Till you say I've got to stop.  
I want to do everything for you  
'Cause that's all that man can do  
When he loves a woman like I love you.  
And I love ya love ya, love ya, love ya  
Yes, I love ya, love ya  
Love ya
